Project Description: BASIDA is an NGO that provides medical and psychosocial support to HIV-positives, drugs addicted people and others with special needs. Since 1987, it has opened three centres; all of them run by a multi-professional voluntary staff. The physical and psychological recovery a well as the social rehabilitation of Basida residents are being achieved thanks to close teamwork focused on proving them that someone really cares for them. Basida team tries to help those attending the centre, that for long time have only experienced social exclusion, to regain hope and self-esteem.
