

Long Term Volunteering

Those who say it cannot be done should not interrupt the people doing it.
(Chinese proverb)

Project Description:

This projects aims at associating the practical gardening and environmental education for a sustainable development in order to sensitise our basic communities in understanding and conservation of our environment. The project consists of proposing workshops of educational gardening, agroecologic and therapeutic for our public, in particular the Togolese volunteers and the pupils of primary and middle schools of Kpalime. Indeed it provides a framework opening out to discover, listen to, exchange, experiment and take initiatives.

Notice: *This is an Africa WG project. Please contact the SCI branch or partner organisation in your country for further information.*

Work: 1. Assistant coordination of the activities of the gardening and environmental education: Activities: Co-definition of new projects of gardening and environmental education for a sustainable development, schedule and appointment setting Management of partnerships Follow-up and assessment of projects Feed the blog of the association Creation, adaptation and diffusion of the tools for animation Realisation of teaching card. 2. Maintenance of ASTOVOT educational garden: Ecological Maintenance of the cultures Installation of new

cultures Various works 3. Animation of workshops of gardening and environmental education for a sustainable development: Co-create groups of children in the educational gardens Use playful educational tools for environmental education Teach the children the techniques of ecological gardening.

Requirements: There is no specific knowledge or manual dexterity required. Important is the motivation and the joy of contributing to improving the environment. The proposed mission is accessible to every person motivated, interested and sensitized to the environment, particularly for the animation “garden and nature” with children. It is considered to know how to work in a team, but also to work autonomously, just as being flexible and patient.
