The Zuppa Festival

The International Soup Festival was born in Lille in 2001 and successfully spread across Europe to Berlin, Krakow, Barcelona, Madrid, Frankfurt and the Italian city of Bologna in 2004 and Rome in 2008.

The 18th edition of "Festival Internazionale della Zuppa di Roma" will be held at La Città dell'Utopia the 12th april 2025 with the support of a large number of citizens and volunteers and aims at creating a moment of celebration around a unique, rich and popular dish that is known all over the world. Participants will be competing for the famous prize "Mestolo d'Oro" (golden ladle).

The International Soup Festival has several aims:

- **Cultural, social and human integration:** meeting and sharing food together, on the streets of Rome.
- **The artistic dimension:** creating and mixing flavors, in order to present them to the public.
- **The playful dimension,** involving cultural traditions exchange.
- **Everything is free,** all participants compete while offering their food to everyone.
- **An open manifesto,** encouraging everyone to participate.

Soup festival, april 2022

The festival is built together with the citizenship, during open assemblies, in the months leading up to the festival. Every year, collectively, a central theme is chosen, around which the whole day revolves, with the aim, along with the joy of the festival, of raising social awareness on different topics: food self-determination, the right to housing, feminism, etc...

The Workcamp

The workcamp will be divided in two parts: **a study part** and a more **practical one** related to the organization of the Zuppa Festival.

Logistics, financial conditions, and sustainability

Simple life: You will be hosted in the hostel of "La Città dell' Utopia". You will share a room with other volunteers. You will also share the two bathrooms of the hostel. We provide sheets and blankets, but don't forget to bring your own towels!

Money, money, money: This project is founded by the European Solidarity Corps program. Therefore, we can cover all essential costs of the program (including food, travel costs up to a maximum amount per country, visa costs, accommodation, and pocket money). The travel is reimbursed after tickets and boarding passes submission.

Distance	Not green travel (plane, ferry)	Green travel (shared car, train, bus)
10 – 99 km	23 euro	23 euro
100 – 499 km	211 euro	285 euro
500 – 1999 km	309 euro	417 euro
2000 – 2999 km	395 euro	535 euro

The distance band is calculated according to the distance between Roma and your sending organization: check [here](#).+

Important: **arrival day is 1st of april, departure is 16th**. It is important to attend all the activities from the arrival to the departure day. Any different travel has to be communicated to festival.zuppa@sci-italia.it

Sustainable food: The food we will cook will be **vegan/vegetarian**. This is not just a practical decision, but also an ideological one: SCI believes in the values of sustainability and climate justice – and if we want to contribute to a more peaceful planet, we need to give up on industrialized animal agriculture and its destructive effects on our planet. You can tell us if you have any diets, allergies, or intolerances that we should be aware of.

Sustainable travels?: This is also why we ask you to come to this youth exchange by any more sustainable means of transport rather than flying (e.g. by train or bus), if somehow possible. We will guide you on how you can reach the venue once you are accepted to the project.

How to apply?

You can send your CV and Motivation Letter **underlining why you want to volunteer to this project** and what you could bring, until the 7th of March 2025 to festival.zuppa@sci-italia.it. We invite you to apply as soon as possible (all applications will be processed on arrival order).
