

Stagones Social Cooperative is looking for four volunteers, 18-30 years old, to spend 4 to 6 months with us from April 2026 to November 2027 in the frame of the **ESC programm**. Volunteers should be highly motivated, familiar with living and working in nature and comfortable with tools. They should be able to work in a team, but also independently. In order to spend a harmonious time together, we are looking for people with balanced personalities, an open heart and a longing for authentic, honest relations.

Main activities during this period will be gardening/permaculture, natural building, a lot of woodwork but also collecting herbs and plants. Furthermore organization and support of workshops on self-directed education, well being and most likely an Erasmus+ training called "Songs and awareness for Social Change" which we intend to host in September. Our daily rhythm will be mostly calm, with 4-6 hours of work in the morning hours so afternoons are free. The exact flow will be determined in collaboration with the volunteers, according to the project's needs.

You can find more information about our Social Cooperative at www.stagones.org and about our setting and mindset at www.hara-goe.stagones.org

The ESC programme covers all expenses (travel, accommodation, food, materials used in the activities) and provides 210,- euros per month as pocket money. For more information please visit https://youth.europa.eu/solidarity_en

If you are interested in joining us, please send an email / motivation letter sharing a few things about you to: [volunteering\[at\]stagones.org](mailto:volunteering@stagones.org).
