

Winter fun!

Volunteering project
Lumijoki, Finland
11.1. - 28.02.2027

Be brave and enjoy winter activities of the north in the small rural municipality of Lumijoki (2000 inhabitants).

In this project two (2) volunteers will work in together with local community to create activities and increase involvement. Volunteers will plan and implement seasonal events (e.g. winter experience, shrovetide, Valentine's day). Volunteers will work at local library as well as participate in the activities of the local youth work: they will work at youth house and arrange fun activities for kids and youngsters. Volunteers will have an opportunity to carry out own ideas.

Accommodation, food and transportation arrangements

Volunteers will live in their own one-room apartments. . Volunteers will receive food money to prepare meals for themselves.

Some of the work tasks take place within walking distance from the accommodation. A car transportation to work tasks is provided when necessary. Main services locate within walking distance. Public transportation is available to nearby cities. Mandatory costs are covered according to programme rules.

Training

Volunteers will participate in the on-arrival training. Volunteers will have online Finnish language lessons if they want. Task related support and mentoring will be provided.

Volunteer profile

We would like to receive active volunteers who are motivated to create new activities and work with local community, particularly with youth. Working hours will change according to tasks, so volunteers need to be flexible. As some project tasks take place outdoors, volunteers need to be prepared to work in winter conditions.
